

Alice Buffett Magnet Middle School

Dear Buffett Students and Parents,

As families begin getting ready for the new school year, many students are eager to purchase the supplies and materials to support their learning and academic excellence. Listed below is a general list of the suggested supplies and materials. When you visit your teams during Fall Orientation and attend the first day of school, some teams may provide students with a list more specific to each teacher and his or her class. Please know that these are suggestions, not requirements, as Buffett will be providing supplies as well.
