

My name is Anthony “CK” Clark-Kaczmarek. I am humbled and privileged to be the Principal of Alice Buffett Magnet Middle School, and I am proud to serve the Buffett Magnet staff, students, parents, and community.

Welcome to Alice Buffett Magnet Middle School, where academic excellence is the standard, communication is an art, and student achievement is our goal!

Since it’s opening in 2004, Buffett students have accomplished excellence in academics, athletics, and activities. The tradition is strong, and continues as we begin our fourteenth year. Buffett Magnet’s leadership, teachers, and staff take pride in providing a safe and vibrant learning environment where each student can thrive. At Buffett Magnet, we support teachers, staff, families, and the community as we hold our students to high standards, and help them succeed.

Students at Alice Buffett Magnet Middle School are engaged in reading, writing, listening, and speaking opportunities in every classroom. Academic excellence is emphasized and supported by every member of the high performing staff. Additionally, we offer a distinctive communication skills and electronic media focus through our thriving magnet program. Buffett Magnet has a unique facility that supports curriculum offerings in digital media, journalism, television broadcasting, iDesign, and speech. In addition to a set of strong core curriculum classes, students can explore individual strengths and talents through our gifted and talented program, cooperative arts classes, and an extensive selection of enrichment clubs.

Parents, I want to thank you for the continued support during your student’s educational journey. Thank you also for taking an active role in your child’s education by creating an environment at home that stresses the value of academics and provides a quiet place for reading or studying. Positive encouragement and reinforcement at home is key to a middle school student’s success. Please attend and participate in as many Buffett Magnet events as possible. Should you have any questions, do not hesitate to call or visit the school, and please sign up for membership in the Buffett PTO this school year.

As Principal of Alice Buffett Magnet Middle School, I want to welcome you to our school. To help us achieve our goals, we encourage you to involve yourself in our student’s ongoing educational development. Close cooperation between students, staff, parents, and the community is the key to encouraging students to reach their highest potential. If you have any questions, or need information not found on the website, we encourage you to call 531-299-2320

Our Vision: High performing teachers and students in every classroom!

Our Mission: Alice Buffett Magnet Middle School provides rigorous academic experiences based upon research and best practices that enable all students to achieve their highest potential.

Together we will continue the tradition of excellence at Alice Buffett Magnet Middle School!
