Did you know...

- “Students taking courses in music performance and music appreciation scored higher in the SAT than students with no arts participation.” – College Entrance Examination Board (College-Bound Seniors National Report)
- “Schools that have music programs have significantly higher graduation rates than those without music programs (90.2% compared to 72.9%).” – U.S. Department of Education (NELLS88 Database)
- In the class of 2019 at Burke High School, 28 percent of the top 25, 21 percent of the National Honor Society members/scholar athletes, and 20 percent of those receiving scholarships/awards participated in band, orchestra, or choir.

A Word of Thanks

The orchestras and their directors would like to thank the Omaha Public Schools and their administration for their continued support of arts education and their realization of the importance of music in the school curriculum. We would also like to thank the parents for all that you do in support of the each one of these orchestra programs.

Please join us for refreshments provided by the Burke Instrumental Music Boosters in the cafeteria immediately following our performance.
